3. 2000-2001: Registrar in Orthopaedics and Traumatology University Hospital Leuven-Pellenberg, Belgium
4. 2001-2002: Senior House Officer in Orthopaedics, RD&E Exeter, England
5. 2002-2003: Registrar in Orthopaedics and Traumatology, Imelda Hospital Bonheiden, Belgium
6. 2003-2004: Registrar in Orthopaedics and Traumatology University Hospital Leuven-Pellenberg, Belgium

Certificate: Doctor-specialist in Orthopaedics: KUL 31-07-2004

1. Shoulder fellow with Dr. Lafosse , Annecy, France: 01-10-2004 → 31-03-2005
2. Visiting shoulder fellow with Dr. Cofield, Mayo Clinic Rochester

Dr. Bourne / Litchfield, London , Ontario

Dr. Sanders / Frankle , Tampa, Florida

10. Staff member Orthopaedic department AZ Imelda Hospital Bonheiden since August 2005, Department of shoulder pathology

Publications:

De Smet L, Van Raebroekx T, Van Ransbeeck H.

Radial tunnel release and tennis elbow: disappointing results?

Acta Orthop Belg. 1999 Dec;65(4):510-3.

Van Raebroekx A, Bellemans J.

Epidemiology in Tennis injuries in both amateur and elite players.

Pellenberg yearbook 2004 and presentation in Athens 2004 ESSKA

Degreef I, Van Raebroekx A, De Smet L.

Anconeus muscle transposition for failed surgical treatment of tennis elbow: preliminary results.

Acta Orthop Belg. 2005 Apr;71(2):154-6.

Lafosse L, Van Raebroekx A, Brzoska R.

A new technique to improve tissue grip: "the lasso-loop stitch".

Arthroscopy. 2006 Nov;22(11):1246.e1-3.

Van Raebroekx A, Campbell B, Ramesh R, Bunker T.

The association of subacromial dimples with recurrent posterior dislocation of the shoulder.

J Shoulder Elbow Surg. 2006 Sep-Oct;15(5):591-3.

Simon JP, Van Raebroekx A, Bellemans J.

Intraoperative arterial occlusion in total hip arthroplasty. A report of two cases.

Acta Orthop Belg. 2007 Aug;73(4):533-5.

General Lectures:

Radial Tunnel Syndrome: Pellenberg conference 1999

Hip problems in childhood: Staff meeting KLINA Brasschaat 2000

Tibialis anterior rupture: Pellenberg conference 2001

Complications in Trauma: RD&E Trauma meeting 2002

Posterior dimple sign for posterior shoulder instability: RD&E 2003

Total joint replacement: Annual Pharmacists Meeting Antwerp 2003
Intraoperative arterial occlusion in THR: Staff meeting Pellenberg 2003
Epidemiology of tennis injuries : poster presentation on ESKKA 2004
Anconeus muscle flap: Residents day Pellenberg 2004
Revalidation after cuff repair, Bonheiden 2006
Indications for cuff repair, Bonheiden 2006
Indications for total shoulder replacement, Bonheiden 2008
Revalidation after total shoulder replacement, Bonheiden 2008
Evolution in shoulder arthroscopy, Bonheiden 2009

International Lectures on shoulder pathologie :

1. Double Row cuff repair , Ceske Budejovice , 2007
2. Release of the suprascapular nerve, Instructional course Barcelona , 2007
3. Stairway to double row cuff repair, Nice Shoulder course, 2008
4. Arthroscopic aspects of instability , Utrecht instructional course, 2008
5. When to use single or double row, Utrecht instructional course, 2008
6. Arthroscopic aspects of instability , Annecy instructional course, 2008
7. Bridging RC repair: Tips and Tricks , Annecy instructional course, 2008
8. RC repair, double row technique , Ceske Budejovice , 2009
9. Arthroscopic aspects of instability , Annecy instructional course, 2009
10. Arthroscopic bankart repair, step-by-step , Annecy instructional course, 2009
11. Suprascapular nerve release, step-by-step, Annecy instructional course, 2009
12. Pain sensation after cuff repair, difference ... , ABA course Leuven, 2009
13. Arthroscopic glenoid fracture osteosynthesis, ABA course Leuven, 2009
14. Suprascapular nerve release, Shoulder Course York, 2010

Live Surgery performed during courses:

1. Junior Faculty Annecy Instructional course, 2004
2. Junior Faculty Annecy Instructional course, 2005
3. Junior Faculty International Live surgery conference, Annecy, 2005
4. Faculty Member performing arthroscopic cuff repair, Instructional Orthopaedic course, Bonheiden ,2006
5. Faculty Member performing arthroscopic cuff repair,Ceske Budejovice, 2007
6. Faculty Member performing arthroscopic nerve release, Barcelona, 2007
7. Faculty Member performing Total Shoulder arthroplasty, Instructional Orthopaedic course, Bonheiden ,2008
8. Faculty Member performing arthroscopic cuff repair,Ceske Budejovice, 2009
9. Faculty Member performing arthroscopic bankart, Annecy Shoulder institute, 2009
10. Faculty Member performing arthro nerve release , York Shoulder course, 2010
11. Faculty Member performing arthro bankart repair, Instructional Orthopaedic Course Bonheiden, 2010
