ASI & Stryker

Live Shoulder Arthroscopy eCourse

24-25 March 2022

We are taking the classroom virtual and offering this normally exclusive, in-person course to shoulder arthroscopy surgeons worldwide. Please join our chairmen, Dr. Laurent Lafosse and Dr. Thibault Lafosse, and our esteemed faculty for this live, interactive eCourse which will cover topics including rotator cuff repair, Bankart repair, biceps tenodesis/tenotomy, plexus release, tendon transfers for irreparable cuff tears and AC joint repair.

Thursday March 24th 14:30 - 17:30 CET
