

CURRICULUM

PERSONAL INFORMATION

First name: Jorge
Last name: Villa Sánchez
Nacionality: Spanish
Place of work: Universitary Hospital
Son Espases (Palma de Mallorca)

EDUCATION

- **2011 - 2017 Medicine degree in University of Salamanca (USAL)**
 - Final degree Project: "Use of Clostridium histolyticum collagenase in Dupuytren's disease" Grade: 9,1/10.
 - Resident intern student volunteer in Traumatology and Orthopedic Surgery

July 2014-May2017 at the University Hospital of Salamanca
- **2018 - Present:** Orthopaedic Surgery Resident 4th year Hospital Universitario Son Espases (Palma)
- October and November 2022: Clinical stay in the Upper Limb Reconstructive Surgery Unit (Shoulder and Elbow Unit) with Dr. Emilio Calvo.
- **2019- 2020 Master's degree in:**
 - Update in Orthopaedics and Traumatology

- **2019 -2020 University expert in:**
 - Orthopaedics and Traumatology in Knee, Ankle and Foot Surgery.
 - Orthopaedics and Traumatology in Spine, Tumours and Infections Surgery
 - Orthopaedics and Traumatology in Upper Limb.
 - Orthopaedics and Traumatology in Pelvic, Hip, Femur and Paediatrics Surgery.

ACCOMPLISHMENTS

- Instrumentalized BASIC LIFE SUPPORT course taught at the Son Espases University Hospital on 06/01/2018.
- PUBMED course. Bibliographic search IN THE MEDLINE DATABASE teaching at the Son Espases University Hospital on 10/16/2018.
- Immediate LIFE SUPPORT course taught at Son Espases University Hospital April 9 and 10, 2019.
- SECOT Foundation Traumatological AO Course. Principles in the surgical treatment of fractures in May 2019.
- Foot surgery course at Hospital Clinic de Barcelona January 2020.
- Minilab Shoulder Arthroscopy Palma, January 30, 2020, teaching at Hospital Universitario de Son Espases.
- January 2020 SECOT basic sciences course. (On-line)
- November 2020 SECOT course on vertebral trauma. (On-line)
- Broggi course in surgical treatment of fractures from October 2020 to July 2021.
- 3rd Edition Online course on bone tumors of the musculoskeletal system from September 14, 2020 to March 14, 2021
- Barcelona January 2021 Orthopediz Knowledge Update 13.
- Distance training: Approach to osteoarthritis. Knee and Hip. (6th edition)
- Distance training: Chronic pain and functionalities. (3rd edition) from May 12, 2021 to July 11, 2021.
- SECOT course on ultrasound-guided intra-articular infiltrations (12 hours). November 2021.

- SECOT Online Course on soft tissue tumors. (120 hours). From February 2021 to February 2022.
- VI Basic theoretical-practical course on shoulder arthroscopy for traumatology held in Zaragoza on February 18 and 19, 2022
- Musculoskeletal ultrasound course, Level A. Expert in Ultrasound Anatomy held in Madrid from March 17 to 19, 2022 (50 teaching hours)
- Advanced AO Trauma course- Principles in the surgical treatment of fractures. Alicante (Spain) on April 4 to 6, 2022. (22 teaching hours)
- SECOT Online Course on Pathology of the hand (tendon injuries) from March 1, 2021 to July 31, 2022 (40 teaching hours).
- SECOT course on knowledge and skills in orthopedic pathologies of the upper limb. Shoulder, elbow, hand and wrist. April 2022 (10 teaching hours)
- 11th edition of the Nice Shoulder Course in Nice from June 9th to 11th 2022. (22 European CME credits)
- Broggi course (2nd edition) in surgical treatment of fractures from October 2021 to July 2022.
- Arthroscopy Training Plan (PFNA) of the Spanish Arthroscopy Foundation (FEA). Online course from January 3 to October 28, 2022.
- 3er edition Madrid Shoulder Course. Madrid from the 13th to 15th the October 2022. (15 ECMEC).
- Smith and Nephew course: "Clinical Immersion Program in Shoulder Instability: Observation of technique in the operating room and practice on specimen." November 3-4, 2022 Ramón y Cajal Hospital.

INVESTIGATION

National Congress of undergraduate research in Health Sciences held at the Gómez Ulla Central University Hospital in April 2016:

- Main author of oral communication: **SERIOUS COMPLICATIONS AND FAILURES OF THE SURGICAL CORRECTION OF URINARY INCONTINENCE OF STRESS THROUGH REMEEX PROSTHESIS.**
- Collaborator in oral communication: **FIRST PHASE OF VALIDATION OF THE EXPERIMENTAL MODEL OF RENAL CANCER AS A BASIS FOR THERAPEUTIC TRIALS.**
- Oral communication collaborator: **NON-INVASIVE MONITORING OF KIDNEY DAMAGE CAUSED BY REPEATED URINARY INFECTIONS IN WOMEN**
- Collaborator in oral communication: **EXTRAVESICAL TECHNIQUE OF URETERONECISTOSTOMY IN KIDNEY TRANSPLANTATION.**

SECOT Congress 2019

- Main author scientific poster: **ARTHROSCOPIC RECONSTRUCTION OF THE UPPER CAPSULE OF THE SHOULDER IN THE MASSIVE ROTATION OF THE ROTATOR SLEEVE. (ASCR)**
- Oral communication collaborator: **ANTERIOR CROSS LIGAMENT PLASTIAS IN PEDIATRIC PATIENTS: OUR SERIES**
- Oral communication collaborator: **REPAIR OF THE DISTAL TENDON BREAK IN THE BRACHIAL BICEPS BY SINGLE INCISION, CORTICAL BUTTON AND INTERFERENTIAL SCREW**
- Collaborator of scientific poster: **ILEOPSOAS ABSCESS ASSOCIATED WITH SEPTIC ARTHRITIS OF THE HIP A THERAPEUTIC CHALLENGE**

SECOT 2020 Congress:

- Main author oral communication: **TREATMENT OF ANKLE ARTHROSIS. RETROSPECTIVE STUDY OF TOTAL ANKLE PROSTHESIS, PANTALAR ARTHRODESIS AND TIBIOASTRAGALINE ARTHRODESIS.**
- Collaborator scientific poster: **ALOGERTO OF ACHILLES AND SELF-GRAFT OF SEMITENDINOSUS WITH GRACILIS AS A RECONSTRUCTIVE SOLUTION TO THE KNEE TENDON IN KNEE ARTHROPLASTY**
- Collaborator scientific poster: **LATERAL DISLOCATION OF THE PATELLE: UPDATING THE THERAPEUTICS ON THE MEDIAL PATELOFEMORAL LIGAMENT**

SECOT 2021 Congress:

- Main author oral communication: RESCUE SURGERY AFTER FIVE PREVIOUS SURGERIES IN A PATIENT WITH MASSIVE BONE DEFECT AND LOOSENING DUE TO PSEUDOTUMOR AFTER METALLOSIS. ABOUT A CASE.

SECOT 2022 Congress:

- Main scientific poster author: REDUCTION IS A FRIEND OF BIOLOGY: TRIFOCAL FRACTURE OF THE HUMERUS. ABOUT A CASE.

LANGUAGES

- **Spanish** (native or bilingual proficiency)
- **English** C1 (full professional proficiency)
- **Catalan** (limited working proficiency)
- **French** (elementary proficiency)

OTHERS

- Driving license and own car.
- Blood Donor at the Palma de Mallorca Hemotherapy and Hemodonation Center.
- Volunteer as a monitor for 3 years in a camp in Ávila.
- Spanish handball champion with the Castilla y Leon team in 2008-2009.
- Champion and runner-up handball rector trophy of Castilla y León (2013 and 2014 respectively)
- Provincial and regional champion of karate of Castilla y León.
