

EMEA Advanced Arthroscopy & Arthroplasty Shoulder Academy

November 28th 29th 30th 2024
Annect, France

Welcome to the Johnson & Johnson Institute

Welcome to Annecy and to the Advanced Arthroscopy & Arthroplasty Shoulder Academy in collaboration with the ALPS Surgery Institute !

This Shoulder Academy is intended to enhance participant learning in shoulder arthroscopy and arthroplasty. Focus is on delegate interaction facilitated by in depth case discussion led by experienced faculty. These discussions will address the clinical problems and subsequent treatments of both soft tissue injury and shoulder joint deterioration. Live Surgery observation will then offer insights into real life scenarios and how experts deal with these surgical challenges.

We wish you an instructive course.

Course Chairmen

Dr. Laurent Lafosse
Annecy, France

Dr. Thibault Lafosse
Annecy, France

ALPS Surgery Institute Fellows

All faculties will actively participate and provide the services during the entire course. It is visible in the program as contains proper statement. They will also be available for questioning throughout the course.

Agenda

Day 1 – Hotel

Nov 28th, 2024

- | | | |
|--------------|--|--|
| 14.30 | Event Registration from (Hotel Check-in Time: TBC) | Meeting starts at the hotel |
| 15.00 | Welcome & Introduction – Course overview & learning objectives. | J&J Institute &
Dr. Laurent Lafosse |
| 15:15 | ALPS Surgery Institute Fellowship Program
The Fellows Perspective – Objectives of this fellowship and my key learnings | Current ASI Fellows |

Session 1: Case Discussion about Shoulder Instability

- | | | |
|--------------|---|-----------------------------------|
| 15:30 | Case No. 1 – Complex instability – Treatment options and latest trends. | Dr. Laurent & Thibault
Lafosse |
| 15:50 | Case No. 2 - Complex instability – Treatment options and latest trends. | Dr. Laurent & Thibault
Lafosse |

Session 2: Case Discussion about Shoulder Rotator Cuff Repair & Tendon Transfer

- | | | |
|--------------|---|----------------------|
| 16:10 | Case No. 3 – Complex rotator cuff repair – Treatment options and latest trends. | Dr. Thibault Lafosse |
| 16:30 | Coffee Break | |
| 16.50 | Day 1 continued | |

Session 3: Case Discussion about Shoulder Arthroplasty

- | | | |
|--------------|--|--------------------|
| 16:50 | Case No. 4: Complex rotator shoulder arthroplasty - Treatment options and latest trends. | Dr Laurent Lafosse |
|--------------|--|--------------------|

Session 4: Live Surgery Case Presentations.

- | | | |
|--------------|--|-------------|
| 17:10 | Live Presentation of patients for Live Surgery | All Faculty |
|--------------|--|-------------|

17:10	Case 1: Rotator cuff repair	Dr Laurent Lafosse & Dr Thibault Lafosse – Inc ASI Fellows
17:30	Case 2: Arthroscopic Latarjet	
17:50	Case 3: Anatomic Arthroplasty	
18:10	Case 4: Rotator cuff repair	
18:30	Case 5: Reverse shoulder arthroplasty	
18:50	Case 6: Bankart V Dynamic Anterior Stabilisation	
19:10	Wrap up & close of day 1	Dr. Laurent & Thibault Lafosse
19:30	Course Close.	
20:00	Group Dinner in Restaurant – Walking from hotel	

Agenda

Day 2 – Clinique Generale.

Nov 29th, 2024

PLEASE NOTE: Day 2 is held at the Clinique Generale d’Annecy
Live surgery sessions are subject to modification due to patient selection

07:30 Transfer departs from Hotel for Clinique Generale

Session 5: Rotator Cuff Repair & Arthroplasty

08:00	Surgery 1 - Anatomical Shoulder arthroplasty	Dr. Laurent & Thibault Lafosse
09:00	Surgery 2 - Rotator Cuff Repair	Dr. Laurent & Thibault Lafosse
10:00	Coffee Break	

10:30 Surgery 3 - Bankart V Dynamic Anterior Stabilisation Dr. Thibault Lafosse

11:45 Surgery 4 - Rotator Cuff Repair Dr. Laurent &
Thibault Lafosse

13:00 **Lunch On Site**

Session 6: Instability

14:00 Surgery 5 - Reverse shoulder arthroplasty Dr. Laurent &
Thibault Lafosse

15:45 Surgery 6 - Arthroscopic Latarjet Dr. Laurent &
Thibault Lafosse

17:00 **Coffee Break**

17:30 Discussion - Surgical indications, technique options, ALPS
forum, delegate case discussions. Live surgeries conclusion Dr. Laurent &
Thibault Lafosse

18:30 **Close of Day 2**

18:30 Transfer from Clinique Generale to Hotel

20:00 Group Dinner at the Hotel

Agenda

Day 3 – Hotel

Nov 30th, 2024

Session 7: Workshop Knot Tying

07:45 Knot Tying – Review of the basics. Dr. Laurent Lafosse
Safe, simple tips and tricks to make it accurate.

Session 8: Workshop Shoulder Rotator Cuff Repair / Arthroplasty & Pre-op Planning (Groups Rotate)

09:00 Group A – Workshop : Drs L & T Lafosse
Shoulder Rotator Cuff Repair – Arthroscopic simulations and full ASI Fellows
DPS Sports Medicine shoulder portfolio.

09:00 Group B – Workshop : Dr T. Lafosse
Arthroplasty & Pre-Op planning with Trumatch – Icon , Deta
Extend, Global.

10:30 **Coffee Break**

Session 9: Workshop Shoulder Rotator Cuff Repair / Arthroplasty & Pre-op Planning (Groups Rotate)

11:00 Group B – Workshop : Drs L & T Lafosse
Shoulder Rotator Cuff Repair – Arthroscopic simulations and full ASI Fellows
DPS Sports Medicine shoulder portfolio.

11:00 Group A – Workshop : Dr T. Lafosse
Arthroplasty & Pre-Op planning with TruMatch – Icon , Deta
Extend, Global.

12:30 Final course summary – Drs. L & T Lafosse
Course evaluation – Recording of surgeries & conclusions.

12:45 **Lunch**

13:40 **Individual Departures** All
